

Power Shaver®/USES® History

Certifications and Approvals:

1. Underwriters Laboratories [UL]:
File Number: E132743
Category: 5B81 Industrial Control Equipment
2. Canadian Standards Association [CSA]:
Category: LR99910 / Master Contract: 234841
3. Conformité Européene [CE Mark]:
Directive 2006/95/EC: The Low Voltage Directive
Standards: IEC 61558-1 Safety of power transformers, power supplies and similar products 2005 (ed.2)
4. Patent Numbers:
US: 5105327 – A.C. Power Conditioning Circuit
US: (Pending) 20120194313 - A.C. Power Conditioning Circuit
International: (Pending) WO2012102691 – AC Power Conditioning Circuit
5. General Services Administration [GSA]:
Schedule 70: General Purpose Commercial Information Technology Equipment,
Software and Services : Cooperative Purchasing and Surge Suppressor
6. New York City Approval:
Submission #: 92A0390
7. Funacion Instituto de Ingenieria, Caracas, Venezuela:
Electric and Electric System Engineering Center Test Report No, 24-000593
