Aloha Doug,

Thank you so much for sharing with me about the USES®. Help-U Save came and installed the unit in my residence on January 24, 2013.

I have a swimming pool and an ice machine that runs 24 hours a day. My average monthly bill was \$435.61. After 6 months of USES® my bill dropped to \$355.20. I am saving \$107. 29 a month, and very happy.

Thanks Doug
