Dear Doug,

I write this letter to thank you for introducing me to the USES®. I installed the unit in my residence in September 2012. After 12 months of USES® my savings was \$3549.00. I continue to save and I am very happy with the results.

	Average Before	Average After	Average Savings	Average Annual Savings
Monthly Bill	\$971.02	\$675.27	\$295.75	\$3549.00
Kilowatt	2245.67	1618.42	627.25	7527

Thank you,
