

RE: USES® A/C Power Conditioner

Dear Sir/Madam,

The USES power enhancement systems are a sole source product. The parallel wrap around control choke technology is a patented technology. They are UL, CSA and GSA certified. This product can only be purchased through the Power Shaver authorized distributor network.

If you have any further questions please contact USES MFG. INC at 860-912-8548

Sincerely,

USES MFG. INC.

A handwritten signature in black ink, appearing to read "William J. Morton". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

William J. Morton

Executive Vice President.
